Kool Out Of Skool

Before school, after school and holiday childcare in a friendly, home-from-home environment for children aged 3+ years

Who we are

- Relaxed, home-from-home setting focussed on a happy, healthy and safe environment and following all current safeguarding guidance
- Friendly, qualified staff who really get to know your child as an individual
- Well structured play environment where children have opportunities to explore, experiment, plan and make decisions for themselves
- Fully inclusive ethos, catering for individual requirements of all children
- Mix of ages allows children to build a network of friends across year groups within school
- On-site at school – children are escorted to and from classrooms

Feedback from children and parents

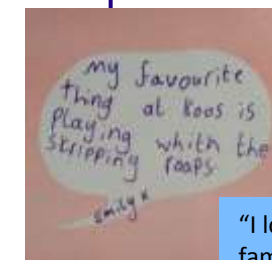

"Flora and her team are devoted to providing excellent childcare, catering for every individual's needs and providing pastoral care – this is their priority above all else" *Jo Carthy*

"I like kool out of skool because the grown ups are caring and there's lots to do."
Thomas R.

"Our daughter loves the wide variety of activities during school holidays – often asking to go even when we don't need childcare!"
Kate Unsworth

"I love KOOS because it's really fun to draw and play with the toys."

"I love that KOOS is like a big family where my children can relax, have fun and learn without really realising it!" *Alice Kan*

"I know that my boys are in a really caring and cosy environment where they can choose to relax after a day at school, or join in with the huge range of indoor and outdoor activities on offer" *Susie Oliver*
